Provide a short summary of the types of services your company provides (100 words or less):

Hogan & Associates Construction is a construction management, design/build and general contracting firm. We specialize in building schools. A school is a structure with many distinct parts, each equally important. Because we understand the diverse and special challenges of educational-related projects, we provide the best pre-construction and construction services in Utah. You'll always know when to spend, where to save, and how to get the most for your money. Since 1945, Hogan has managed more than 230 K-12 school projects that have met the needs of our local school districts. Contact us and you'll see why they trust Hogan.
